Folding Fun Origami Workshop at Oconee County Public Library

Are you a fan of the *Origami Yoda* series? Are you interested in learning a new skill that will wow your friends? Come to the Salem Library on Monday, February 12, at 4:00 pm to learn about the ancient Japanese art of folding paper. We'll learn some cool origami facts and then make our own foldable masterpieces. Supplies will be provided, just bring your nimble fingers and creative minds! Some instructions may be tricky for our younger artists, so this program is best for elementary school children with a caregiver and teens. Contact the Youth Services Department at 864-638-4133 for more information.
