Teen and Tween Makerspace Programs at the OCPL

The Oconee County Public Library is hosting two teen and tween makerspace programs at the Westminster Branch. Teens and tweens are invited to drop-in anytime between 10:00 a.m. and noon on Saturday, May 19 to make a Post-it Note Tangle. This style of drawing is a great way of releasing all the end-of-year stress and only takes a few minutes. Another great way to relieve stress and create a fun snack is to stop by and pickup an Edible Book Kit. Monday, May 21 through Friday, May 25 teens and tweens can stop by the Westminster Branch and pick up an edible book kit that contains everything you need to make some yummy edible books. Both of these programs are for ages 10 to 18. For further information, contact the Westminster Branch at (864) 364-5760.
