Harry Potter Fandom Night at the Westminster Branch Library

The Westminster Branch Library has started a new monthly series called Random Fandom. Each month we will have a family fun night centered on a particular fandom. Fandoms are a group of people who share comradery in a common interest. These fans are typically even interested in the minor details of the object of their fandom and will spend significant amounts of time involved in their interest.

The next Random Fandom night will celebrate the fandom of Harry Potter. "The Harry Potter fandom is a great one for the library to celebrate," says circulation assistant Tiffany Blackwell. "These books (and movies) allow the reader to use their imagination to take them into the wizarding world."

Witches, wizards, and muggles are welcome to join us for all the fun on Monday, August 27 at 6:00 p.m. Plans for the night include playing HP bingo with prizes, delicious treats like Butterbeer, door prizes, cosplay, and making Cornish pixie jars. This program is for all ages and free. For more information contact the library at (864) 364-5760. We solemnly swear we will be up to no good!
