#### Bad Poetry Reading at the Seneca Library

(Seneca, SC) -- Join us for the first ever Bad Poetry Reading at the Seneca Library on August 8th. Each attendee can read aloud from their own catalog of 'bad' poetry to others and share in each other's terribleness. We will be reading from the works of arguably one of history's worst poets, William 'Topaz' McGonagall. Remember to bring your goofiest literary works and a healthy sense of humor. Laughing is not only acceptable it is strongly encouraged.

Bad Poetry Reading will be held on August 8<sup>th</sup> at 4pm at the Seneca Branch Library. [This program is designed for ages 16 and up.](#)
