### **LEGO Competition at the Westminster Branch Library**

Calling all Lego builders! Show us your creative talent by entering the Oconee County Public Library's Lego Contest, hosted by the Westminster Branch Library. Use your own LEGO, Duplo, or other compatible plastic bricks to create an entry inspired by your favorite food. A first place winner will be selected in the categories of ages 2-6, 7-11, 12-17 and adult 18 and older. Join us for the fun and vote in the People's Choice Award! Entries will be on display at the library November 18 - 23. The last day to enter is November 15. Stop by the library or visit us online at [www.oconeelibrary.org](http://www.oconeelibrary.org) for a full list of contest rules and guidelines.
